

Trade It in For Cleaner Air!

Upstate Gas Can Exchange

Need a new, FREE, environmentally friendly gas can?

Sure You Do!

Your old, traditional gas can may not be airtight and may spill or leak gas during refills.

So What?

Spilled gas and gas vapors are harmful to your health and the environment. It all eventually ends up in our air, soil, and water.

So, bring your old EMPTY gas can and exchange it for a new environmentally friendly one for FREE!
